## The affordable IP phone for comfortable call management.

### DE410 IP PRO

The DE410 IP PRO is the IP phone for small and medium businesses demanding affordable phone systems to manage their professional calls and phonebooks. Flexible use, hassle-free setup and exceptional wide-band sound make the DE410 IP PRO perfectly suited for intuitive business communication.

PHONEBOOK  
WITH UP TO  
200 ENTRIES

7 MEMORY  
KEYS

HIGH  
DEFINITION  
SOUND

LIST OF  
UP TO 30  
MISSED CALLS

3-WAY CALLS

### Feature highlights:

- Adjustable 5-line display plus icon area, b/w inverted
- 5-way navigation key for easy operation
- Up to 6 SIP accounts
- Exceptional HD sound with HDSP™<sup>1</sup>
- Multiple ringtones, selectable per line
- Headset connection: corded
- Ethernet (10/100) with 2-port switch
- Integrated power over Ethernet
- Classic PBX calling features<sup>2</sup>
- Direct dialing of Microsoft Outlook™ contacts via PC<sup>3</sup>
- Local network directories and public online directory<sup>1</sup>
- SRTP/TLS encryption
- Professional zero-touch auto-provisioning setup<sup>2</sup>
- Certified hearing aid compatible<sup>4</sup>
- Wall-mountable (adaptor included)

#### Adjustable display always provides a comfortable view from different positions.

The intuitive user interface with an extra icon row on the illuminated black/white display grants easy access to the DE410 IP PRO's call management options.

#### Easy and convenient navigation.

Quick and ergonomic, the 5-way navigation key simplifies operation on the DE410 IP PRO, with real-time speed on phonebook-browsing and other professional features.

#### Easy expandability options.

Simple to connect, the optional Gigaset Extension Modules enlarge the DE410 IP PRO by up to additional 28 programmable keys with red LED.

#### Straightforward setup and auto-provisioning.

Step-by-step wizards handle the DE410 IP PRO's complete installation and configuration. Auto-provisioning from Gigaset partners offers hassle-free remote configuration and management. Downloadable VoIP provider profiles guarantee an easy start.

#### Professional HD sound.

Exceptional HDSP™<sup>1</sup> sound on the DE410 IP PRO adds business efficiency: superb and clear wideband audio technology makes calls sound like face-to-face meetings.

# DE410 IP PRO

The perfect IP phone for SMBs.
